

SUMMER 1959

✧ Murder on the Grill ✧

„Honest Tom“, Tom Dooley was murdered yesterday at his own barbecue party with a barbecue fork. All eight guests are currently helping the police with their investigations.

HONEST TOM IS DEAD

The party was in full swing when a sudden thunderstorm sent the guests rushing into the house while Tom stayed behind to finish cooking the chicken. When the squall ended a short time later, Tom's guests returned outdoors to find the lifeless body lying beside the barbeue and the chicken burning to a crisp. His fiancée Tiara Diamond, the reigning Miss Kansas City tried to rive him in vain. Even though Tom could not host his own party any more, the guests did not refrain from celebrating. Did they have even more reason to party with Tom out of the picture?

Runabout Sue

Our popular gossip columnist Peggy Sue had just arrived at the party when the body of „honest Tom“ was loaded into the ambulance. She spent the evening with the main suspects and found out that each and every one of them has a body in the cellar.

Read here what she found out and the whole interview with the famous Chubby Cheddar.

Carrot Salad

on request of our many readers we publish Tom's famous recipe of his carrot salad

1 tablespoon sugar
1/2 teaspoon ground black pepper
1/2 teaspoon salt
2 pounds carrots, peeled and shredded

In a large bowl, whisk together mayonnaise, vinegar, lemon juice, sugar, pepper and salt. Add carrots and raisins and toss well to combine. Cover and refrigate at least 3 hours and up to 2 days before serving.

the illustrious guests

Bobby Sox

The young half sister did not look too enraged that evening. This might be because there is no need any more to elope with her sweetheart

Johnny Angel

the mechanic. He was recently sued for meddling with the breaks of Ivan Sputnik. Johnny is actually a KGB agent who provoked the accident to return

Ivan Sputnik

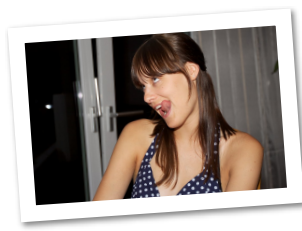

to Russia. Ivan got a lot of money from Tom to build a rocket engine but invested the money in toilet paper and bras to sell them on the russian black market.

Barby Q

was found out having fenced with stolen cars that she sold to Tom. It is not proven yet that „Honest Tom“ always knew the origin of the rarities he sold.

Chubby Cheddar

the „singer“ or shall we say the „performer“ of the number one hit „Twistin‘ baby“ has admitted that he can not sing one single note. Neither does he play the guitar. He will go down to history as the greatest pretender.

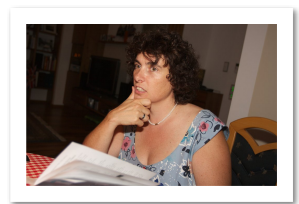

Tiara Diamond

The ex-girlfriend of Cubby and fiancée of Tom Dooley was said to be pregnant. Maybe her identical twin sister Hope can step into her shoes now and become next year's Miss Kansas City. Let's hope for it.

Dan Dragnet

The famous actor starring in uncountable romantic movies was seen on site. He claims that he was only there for research as he will perform in a new feature film as a homicide detective.

Peggy Sue

got interviews with juicy details from all the guests. Stay tuned to the Kansas City Tribune to read how Chubby cheated the music world for years and why Tom Dooley was really murdered!
